Cheat Sheet Summary

System type	Coverage system
Best suited table	European or French
Usual bet type	Two dozen bets (2:1 each)
Risk level	Medium - frequent small wins
Changes house edge?	No.

How it works

Cover two of the three dozens. Hit rate 64.9% on European; loss of 2 units on uncovered dozen or zero.

Example progression on 1-unit base

Spin	Bet	Result	Cumulative P/L
1	1+1	Win dozen	+1
2	1+1	Win dozen	+2
3	1+1	Loss	0
4	1+1	Win dozen	+1

Where the risk appears

Streaks of uncovered dozen or zero hits cost 2 units each. Many small wins are needed to recover.
